Next, enjoy the *National Railroad Museum*, which consists of indoor displays as well as outdoor displays and features over 70 pieces of historic rolling stock. Enjoy a *Train Ride with a Box Lunch*. The ride will take you along the shoreline of the Fox River and through wooded areas, and the conductor will describe various rolling stock, hobo culture, and more. An expert guide will share insider tips on the best places to wine, dine, and explore throughout the county. After lunch in scenic Egg Harbor, enjoy a *Fish Creek Scenic Boat Tour to Peninsula Park Caves*. This insightful narrative boat tour navigates the waters north along *Peninsula State Park's* seven-mile shoreline. Day 4: Sister Bay, WI

The day begins with a ferry ride to *Washington Island*, known for its peaceful, secluded locations and stunning waterfront views, for a guided tour. You'll visit *Schoolhouse Beach*, named after a one-room schoolhouse. This is one of only five beaches in the world that features smooth limestone pebbles and is part of the Niagara Escarpment. You'll then visit the *Farm Museum*, which consists of nine historic buildings collected from across the island. This site will give you a sense of how farming and living on the island was at the turn of the century in Door County. At *Stavkirke*, a Lutheran church built in 1995 resembles an ancient Norwegian Borgund chapel of 1100 A.D. and pays tribute to the island's Scandinavian roots. After lunch, you'll visit and join the *Bitts Club*. While Prohibition ended in 1933, the ingestion of bitters at Nelsen's continued; in the mid-20th century, Nelsen's new owners founded the Bitters Club. The club continues today, and anyone who can swag a shot of Angostura is inducted! After a stop at *Mann's Mercantile*, you take the ferry back to the mainland. You will have ample time to explore and shop at *Island Lavender Gift Shop*.
