Cell phones: We ask that you turn off your phones and not use them while we are traveling on the bus or involved in a group activity. Using the schedule below, you could plan your calls for free times.

Microphone: When the escort or step-on guide is using the microphone, please save your words and conversations until they are done. Often it is difficult to hear in the back of the bus, and people visiting within the group make it just about impossible. Everyone will appreciate this courtesy.
