TRAVEL PROTECTION
Travel Is An Investment - So Protect It

Everyone works hard for their money and when it comes time to book your travel, we understand how important those hard earned dollars are to you. We also know, however, that things do come up and losing that travel investment can be devastating to anyone’s budget.

Ask our staff about how travel protection works, what is covered and how affordable it can be.
Definition of a Mystery Tour
For over 40 years our Mystery Tours have simply been described as containing attractions and/or experiences that we have never visited before. However, as we gain new clients, there are some very popular destinations and attractions that they have not had an opportunity to experience on our Mystery Tours. Therefore, we are updating Southwest Tour and Travel’s definition of a Mystery Tour!

Going forward, a Mystery Tour is described as:

A tour where your destination is always unknown to you. The itinerary includes attractions and experiences that we have never included on previous tours and popular, must-see attractions and experiences that may have been included on another tour.

Our goal is to give you a little anticipated fun by not knowing your destination and providing experiences that are new, without forgetting the “must-see” attractions and experiences that the destination is known for.

Activity Level Guide
We want to make sure every aspect of your travel is enjoyable so we have developed an Activity Level Guide for your convenience. On each tour brochure, you'll find the level of activity clearly marked at the bottom of the page. Use the descriptions below to see if this is the type of tour you will enjoy, and more importantly, one you will be comfortable doing.

Relaxed:
Leisurely paced, this interary requires a small amount of physical activity. There will be some walking to rooms, restaurants, and general points of interest. This may include an occasional flight of stairs or some steps.

Easy Going:
This tour requires light physical activity combined with shorter travel days. Activities may include an occasional city or nature walking tour with stopping along the way. Guests should be able to climb a set of stairs, walk up or down slight slopes and navigate some uneven terrain or cobblestone.

Moderate:
Guests should be prepared to walk slightly longer distances, climb stairs and tolerate periods of standing, for example on city walks, sightseeing, or ship excursions. The daily pace and timing can fluctuate significantly between longer and shorter travel days, with additional activities possibly occurring in the early morning or evening.

Active:
This tour will require guests to be able to walk longer distances, climb several flights of stairs and navigate steps and uneven terrain. Your itinerary will include a higher number of longer travel days with morning and/or evening activities.

Very Active:
This is a very much an on-the-go tour with a complete itinerary involving a full, normally daily program of travel, sightseeing, or events. This is considered our fastest and most strenuous paced tour and free time at leisure will be limited, in some cases just in evenings.

YouTube Channel for Southwest Tour and Travel
Sometimes you need a bit more information on your destination and the perfect tool is a video! Check our YouTube Channel for travel and informational videos. Check back often as we are constantly adding new videos. swtoursyoutubechannel.com

Active Lifestyle Tour Series
You’ll find in our new travel guide that some of our tours are noted as an “Active Lifestyle Tour Series” and bear the logo you see here. There are actually two types of tours in this series, one for the Active Traveler and one for the Active Woman Traveler.

These trips are designed for travelers who enjoy a more active pace in their travels and/or enjoy more free time to customize their travels to meet their specific interests. Travelers who participate in these tours would be described as a more independent and adventurous traveler. The tours designated as an Active Woman Traveler, in addition to being a more active paced tour, also have itineraries filled with experiences that are more inclined to be of interest to women.

If you have any questions about the new Active Lifestyle Tour Series, please be sure to contact one of the team members at Southwest Tour and Travel. We would be happy to help you!

JOHN DEERE AND THE QUAD CITIES
April 2 - 5, 2020

It all started in 1837 with blacksmith John Deere. Hearing farmer's concerns that their plows, designed for the sandy soil of the eastern United States, wasn't working in the prairie fields of the midwest. From that moment on, John Deere has developed into one of the most well-regarded farm equipment manufacturers in the United States. Hear the story, see the history, and experience the growth of John Deere on this tour.

Day 1: Marshall, MN to Waterloo, IA
Arriving in Waterloo, enjoy your Italian lunch at Galleria de Paco. In addition to delicious Italian food, you will be amazed at the reproduction of the Sistine Chapel - in spray paint! It took Michelangelo four years to paint the Sistine Chapel, but it took Evelin 'Paco' Rosic just four months to do the half-sized reproduction. Following lunch hear the clang of the hammer, feel the heat from the forge, and watch the iron melt at the John Deere Tractor & Engine Museum. This location is the spot where John Deere created the first commercially successful steel plow. The final activity of the day is the Grout Museum District. Enjoy a self-guided tour of the Sullivan Brothers Iowa Veterans Museum, dedicated to honoring the service and sacrifice of all Iowa veterans from the Civil War to present. Also, tour the Grout Museum of History and Science, where you'll find exhibits on area history as well as the regional flora and fauna. A special dinner this evening will be at the Veteran's museum. Fairfield Inn & Suites * Lunch & Dinner Included

Day 2: Waterloo, IA to Rock Island, IL
Today is a Deere day! You'll be on your way to Moline, Illinois this morning for a guided tour of the John Deere Harvester Works Factory. See first hand the manufacturing of a combine. After lunch there is a guided tour of the John Deere Historic Site which is the original John Deere family home. It allows you an intimate glimpse of pioneer life in 1836. You will explore rooms as the Deere family would have known them, furnished with household items that show how pioneers cooked, cleaned, and spent their leisure hours. Holiday Inn Rock Island - Quad Cities * Breakfast Included
Day 3: Rock Island, IL
Your day begins with a guided tour of the John Deere Pavilion. Learn the history of John Deere, the man, and John Deere, the company. See antique tractors, innovative agriculture techniques, as well as construction and forestry equipment. Be sure to take time to test your skills at driving John Deere equipment in a state-of-the-art simulator. There will be time for shopping in the Pavilion gift shop as well. Next visit The Shameless Chocoholic where you can enjoy a taste testing of some of the best chocolate in town. Be sure to bring home a few treats! Enjoy lunch on your own at any number of great restaurants in the area. This afternoon, you can choose your activity. Tour either the John Deere & Company World Headquarters or visit the picturesque Lavender Crest Winery. An optional tasting and tour is also available at the winery. This evening at the Circa '21 Dinner Playhouse, enjoy a delicious dinner and theatre performance. *Holiday Inn Rock Island - Quad Cities * Breakfast & Dinner Included

Day 4: Rock Island, IL to Marshall, MN
As you begin your journey home, you'll first stop for a guided tour of the Deere-Wiman House. This house was originally built in 1872 by John Deere's son as a home for his family. It was named Overlook because of its desirable hilltop location above the growing city of Moline and the family business, the John Deere Plow Works. Lunch will be served on the property at the Butterworth Center, which was the home built by Charles Deere as a wedding gift for his daughter. Your trip concludes as you arrive home this evening. *Breakfast & Lunch Included*

Today you are in for a real treat as you see the Wild Ponies of the Outer Banks. A visit to Jockey’s Ridge State Park introduces you to the tallest active sand dune system in the Eastern United States. **DAY 3: Albuquerque, NM to Santa Fe, NM**
The Turquoise Trail, named for the mineral once mined here, leads you to your first stop of the day: the real-life ghost town of Madrid. Madrid looks precisely like a ghost town should, with its rows of empty, dilapidated houses that once were the homes of three thousand miners and their families. Now the only signs of life are the artists who come to display their wares to interested buyers. After time to explore this relic of the past, continue to the oldest state capital in the United States: “The Royal City of the Holy Faith of Saint Francis,” better known as Santa Fe. The city, founded in 1609, offers many historic and scenic delights including the Old Santa Fe Trail, the seat of government for more than 300 years; the Loretto Chapel, a miniature model of the Sainte-Chapelle in Paris; and the oldest church and home in New Mexico. Be sure to take time to stroll through the Indian Market, where native arts and crafts are available directly from the Indians who created them. Dinner this evening will be at a favorite local restaurant.  *Drury Inn and Suites*  *Breakfast & Dinner Included*
DAY 4: Santa Fe, NM
Start the day by visiting the peaceful Bandelier National Monument. Here you will see the ruins of a large Indian pueblo, nestled under cottonwood trees. The canyon walls, studded with pre-historic cliff dwellings, and the tranquility in the canyon gives you a taste of the desert’s silence before the ruins were re-discovered by non-natives. Back in Santa Fe for lunch, followed by a visit to one of the most beautiful art museums in the art capital of the Rocky Mountain Region, the Georgia O’Keeffe Museum. This museum, dedicated to the artistic legacy of Georgia O’Keeffe, her life, and her art. After this fun-filled day, get ready to eat some of the most delicious cuisine New Mexico has to offer, but with a twist, YOU will be the chef. Located in the heart of historic downtown, the Santa Fe School of Cooking is an internationally acclaimed culinary school that will entertain, educate, and delight your taste buds. Once you have become a master chef, the evening is yours to enjoy “The City Different.”

Drury Inn and Suites * Breakfast & Dinner Included

DAY 5: Santa Fe, NM
Another day of exploration as you take the High Road to Taos. Visit Chimayo, where the descendants of Spanish weavers and woodcarvers still ply their crafts. After a stop to observe the artisans, travel the picturesque high road to the world-class resort town of Taos. Founded in 1617 by the Spanish, Taos has kept its Spanish and Indian influences. Taos Pueblo, a village inhabited for more than 800 years, and whose adobe structures have changed little since the first Spanish explorers saw them in the 1540s. At the Taos Plaza, there is free time to wander the streets and browse the offerings of many artists who have come here to capture the allure of this delightful place. As you return to Santa Fe, stop for a scenic view of the Rio Grande, the legendary river that cuts a distinct path through the history of the Southwest. A farewell dinner with fantastic entertainment at La Casa Sena concludes your day.

2021 VALENTINE’S CARIBBEAN CRUISE
February 4 - 15, 2021
Just imagine Valentine’s Day in the Caribbean!
This cruise visits some of the most beautiful islands in the southern Caribbean, featuring St. Thomas, Antigua, Dominica, St. Kitts, and St. Maartens.
There isn’t a better destination to visit with your special someone.

Day 1: Marshall, MN to Fort Lauderdale, FL
Relax and enjoy a pre-night stay in Fort Lauderdale, FL, considered to be the Venice of America with more than 300 miles of waterways.

Day 2: Fort Lauderdale, FL - Cruising
With ample time to explore Fort Lauderdale, you’ll board your ship, Vision of the Seas, and set sail for the Caribbean late in the afternoon.

Day 3 & 4: Cruising
The day is yours to spend onboard the ship. Enjoy sitting by the pool and soaking up the sun or trying a bit of adventure such as the rock climbing wall. And let’s not forget the food! Your options are virtually endless.

Day 5: Charlotte Amalie, St. Thomas
St, Thomas offers all the action of a lively city and the allure of a secluded island getaway. Stroll through the colorful markets of Charlotte Amalie, or unwind on the sugary sand beach at Magen’s Bay, named one of the world’s most beautiful beaches by National Geographic. If snorkeling is your passion, be sure to visit Sapphire Beach. Whether you’re looking to turn up or tune out, you’ll feel a world away in this unique slice of paradise.

Day 6: St. Johns, Antigua
In the capital of St. John, you can peek into local craft shops or explore a centuries-old British naval base in Nelson’s Dockyard. If beachcombing is more your speed, choose from any of Antigua’s 365 beaches! In Antigua, British, Creole, and West Indian flavors come together to spice up local ingredients and fresh seafood for foodies to explore. The island offers the best of both worlds, from bustling markets and candy-colored colonial buildings to winding rainforest trails and hidden coves.

Day 7: Roseau, Dominica
Dominica’s endless jungles, mountains, and waterfalls will keep you wandering for hours. Be sure to check out Trafalgar Falls, where you can wade through freshwater pools. Or try Champagne Beach, where volcanic gases fizzle up from the ocean floor to create a sea of bubbles. If you’re more of an urban explorer, jam out in the capital of Roseau, where the sounds of reggae, calypso, soka, and zouk fill the streets. And bring an appetite, because when it comes to comfort food, Dominica nails it island style.
Day 8: Basseterre, St. Kitts & Nevis
Welcome to an island nation teeming with history and eco-tourism adventures. Explore colonial estates, monuments, and fortresses in Basseterre. Gear up and climb Mount Liamuiga volcano or hop in a kayak to get up close with tropical reef fish. For lunch, the casual beach spots with super-fresh seafood are your best bet. Order some spiny lobster or conch grilled over an open fire. Or you may enjoy a more laidback escape to the tiny sister island of Nevis, for a relaxing beach day.

Day 9: Philipsburg, St. Maarten
St. Maarten sits at the crossroads of the Caribbean and the Atlantic. It’s also a place where over 120 cultures meet. You can taste it in the island’s cuisine, which is rated among the best in the Caribbean. And you can feel it whether you stay in the upbeat, party-centric Dutch side, or cross into the laid-back, local-driven French side of the island.

Day 10: Cruising
As you begin the journey back to Fort Lauderdale, enjoy all the luxury amenities offered on your ship. Sit back and enjoy the slower pace of the day or continue to explore any number of activities available to you. Perhaps tonight it’s time to go dancing or catch a Broadway play. This day is yours to design as you wish.

Day 11: Cruising
Your final full-day aboard the ship. Your last day to soak up the Caribbean sun! Be sure to schedule a visit to the spa. Check out the various lounges and indulge in any number of specialty beverages. Or you could make tonight extra special with dinner at one of the acclaimed specialty restaurants onboard.

Day 12: Fort Lauderdale, FL to Marshall, MN
Your flight departs today to return you home.

BENEFITS OF TRAVEL FUNDRAISING PROGRAM

What is the Benefits of Travel Program?

Southwest Tour and Travel has had a long history of working with non-profit businesses, civic organizations and youth groups throughout Minnesota and the upper Midwest. As business owners and active community supporters, Jim and Tom Hey are well aware that fundraising is necessary for many of these organizations to remain viable.

Couple this need with the fact that it has been proven that traveling can improve your physical and mental well-being, the Benefits of Travel Fundraising Program benefits everyone.

How does Benefits of Travel work?

Benefits of Travel is simply a referral program that allows you to raise much-needed funds. By utilizing personalized email and mailing templates provided by us, you can quickly and easily get the word out about your participation in Benefits of Travel.

When individuals book a vacation package with us, and they identify your organization, we will pay your organization 20% of our earned commission on that package.

The best part of this is that your referrals can contact us via telephone or email to book travel, so efforts to generate more funds can now expand to anywhere in the world not just your neighborhood.

What type of Organization can Benefit?

Here are just a few examples of organizations that can benefit:

- Churches and Church Youth Groups
- Civic Organizations
- Athletic Organizations
- Non-Profits
- Volunteer Organizations
- Private Businesses raising funds for charity.
- FFA, 4-H, Scouts, and more.

The options are almost endless, so be sure to contact Southwest Tour and Travel with your specific request. For further details, or to participate in the program, call 1-800-669-1309 or 507-532-5536.
